Request to Extend Special Temporary  
Authority

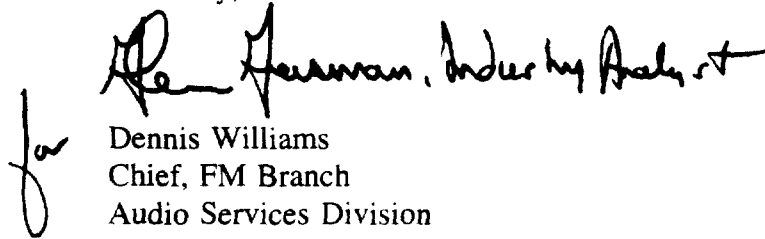

Dear Licensee:

This letter concerns the request, filed May 12, 1995 by your attorney, to extend the special temporary authority permitting the referenced stations to remain silent.

The stations discontinued operations on April 1, 1994. Your current request indicates that an application for the voluntary assignment of WORG's license to JoMar of Orangeburg Inc. is pending with the staff, but that your attempt to locate a purchaser for WMNY (AM) has not succeeded to date.<sup>1</sup>

Accordingly, the terms and conditions of the Commission's October 21, 1994 letter are extended through September 12, 1995.

Sincerely,

  
Dennis Williams  
Chief, FM Branch  
Audio Services Division  
Mass Media Bureau

Request For Additional  
Authority to Remain Silent

Dear Mr. Caton:

By FCC letter, 1800B3-GDG, dated February 17, 1995, authority was granted for Stations WMNY(AM) and WORG(FM) Elloree, S.C. to remain silent, pending the proposed assignment of licenses to a new owner or owners, subject to the prior authority of the FCC. That authority expired April 21, 1995.

Prior thereto, on April 8, 1995, an application (FCC Form 314) was tendered to the FCC, at Pittsburgh, PA, requesting authority to assign the license of WORG(FM) to JoMar of Orangeburg Inc. That Application is pending at this time.

Licensee continues his efforts to seek out a purchaser of Station WMNY(AM) but, to date, has been unsuccessful. However, he will continue these efforts.

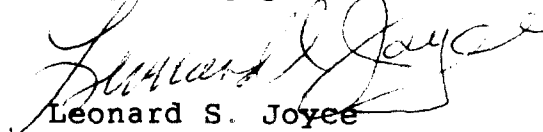

To provide for sufficient time for the processing and grant of the WORG(FM) assignment application, and, to provide additional time for Licensee to locate a purchaser for WMNY, a 90 day additional authority for both Stations to remain silent is hereby requested by counsel for Licensee.

Request For Additional  
Authority to Remain Silent

Dear Mr. Caton:

By letter of October 21, 1994, No.1800B3-GDG, the Chief of the FM Branch, Mass Media Bureau, granted an extension of time for Stations WMNY(AM) and WORG(FM) Elloree, S.C. to remain silent, pending an agreement to sell the Stations. That authority is due to expire, tomorrow, January 21, 1995.

At this time an agreement in principal has been reached whereby Station WORG(FM) would be sold to one Marion R. Garris, pending bank financing and execution of a written Purchase Agreement. Licensee has not yet found a potential purchaser for WMNY(AM), but will continue his efforts in this regard.

To provide sufficient time to finalize an agreement with Mr. Garris; prepare and file the appropriate assignment application; and reach a final decision on the disposition of Station WMNY(AM), it is respectfully requested that the Commission grant an additional 90 days authority for the subject Stations to remain silent.

Attached hereto is an Anti-Drug Abuse Certification signed by undersigned counsel for licensee, Clarence E. Jones.

Should there be any questions concerning this matter,  
please communicate directly with the undersigned.

Request for Special Temporary Authority

Dear Licensee:

This letter concerns the request, filed April 28, 1994 by your attorney, for special temporary authority to permit the referenced stations to remain silent.

Your request states that the stations discontinued operations on April 1, 1994 after operating "for many months...at a loss." You indicate that you continue "to seek a purchaser for the stations and anticipate that [you] will be able to reach a formal sales agreement and file, with the FCC, the appropriate assignment application within the next 90 days."<sup>1</sup>

Accordingly, special temporary authority is granted through September 14, 1994 to permit WMNY (AM) and WORG (FM) to remain silent. Please note that any prescribed tower lighting must be maintained during this period, and that this office must be notified in writing upon resumption of broadcast operations.<sup>2</sup> Finally, in the event WMNY (AM) remains silent for a period over six (6) months, it will be necessary to file with the Commission, prior to returning to on-air operations, FCC Form 302 for direct measurement of power, which should include a partial proof of
